STUDENTS	1 lines

SYNOPSIS:

PEPPER ANN
"Bye-Bye, Trinket, Bye-Bye"
(4346-234)

1. PEPPER ANN

…the boiling water, it only gets hotter, marking the arrival of my one true love. Thank you.

2. MS. BLADDAR

Thank you, Pepper Ann for your poem, *'Why Cheesy Mac Dinner Is Yummy.'* You've shown wonderful progress since your last piece, *'Peas Make Me Spew.'*

3. MS. BLADDAR (CONT)

You. Spoiled princess chick. You're up.

4. TRINKET

This poem is dedicated to my hero, Tori Spelling, who has triumphed despite several unfortunate MOWs…

5. TRINKET (CONT)

Hi, Marie. Sure, put him through.

(to Ms. Bladdar)
It's long distance.

6. MS. BLADDAR

Oh, well then by all means…

7. TRINKET

Hi, Daddy. Really? I was? Oh, this is just tres, tres fabé!

8. TRINKET (CONT)

Everyone? I have an announcement. I have just been accepted to Philbert's most elite all-girls school 'Lycée D'école'!

9. STUDENTS/CRYING GIRL

<amazement walla>/<crying> -

10. PEPPER ANN

Okay, can we get back to Tori?

11. TRINKET (O.S.)

That's right - Lycée D'école!

12. TRINKET (CONT)

Daddy feels that I should focus on my studies without the distraction of the hottie factor.

13. MILO

What can I say? She certainly isn't the first girl I've driven out of this school.

14. PEPPER ANN

Yeah, uh-huh.

15. NICKY

So, Trinket, you must be so sad leaving all your friends behind.

16. TRINKET

Of course I am. But I'm ready for a change. I mean, is it just me or does it seem like we've been in the seventh grade here for a <u>really</u> long time?

17. NICKY

I can't believe it.

18. PEPPER ANN

Me neither. They call it 'Pennies from Heaven', but I can't find a single wiener slice in my baked beans! What a rip-off!

19. NICKY

Pepper Ann! I'm talking about Trinket leaving!

20. PEPPER ANN

And I'm talking about the wiener-to-bean ratio!

21. MILO

Curse my Hawaiian good looks.

22. NICKY

Pepper Ann, I'm worried about you. Trinket's leaving and you don't have any opinion on the subject.

23. PEPPER ANN

So?

24. NICKY

So? You have an opinion on everything! You spent the last two weekends picketing Dieter's deodorant.

25. PEPPER ANN

It smells like rotting apples.

26. NICKY

You care more about a fruit roll-on than Trinket?

27. PEPPER ANN

Nicky, Trinket and I aren't good friends. We never have been. Why should I start acting like it just 'cause she's leaving?

28. NICKY

Wow. Pepper Ann has just displayed a perfectly appropriate and healthy response to Trinket leaving. (suddenly troubled)

Something's not right.

29. MILO

It's the blue-black hair. Women dig the blue-black hair.

30. TESSA/VANESSA

Trinket, you've been a/sister to us./Except that you're/a blonde.

31. TRINKET

And I wouldn't be caught dead in those fabric nightmares you call outfits, but why quibble?

32. DIETER

Oh, Trinket!

33. TESSA/VANESSA

Does anyone smell/rotting apples?

34. ALTER EGO

Admit it. You're gonna miss her.

35. PEPPER ANN

Ugh. You're as bad as Nicky.

36. ALTER EGO

But you've gone to school with Trinket for seven years. Think of all the good times you've shared.

37. PEPPER ANN

How could I have been so foolish? I've been all whatever about Trinket leaving when I should've been all… CELEBRATING!!

38. PEPPER ANN

(singing)
I'm doing the dance of joy, yes I am…

39. CISSY (O.S.)

<uncontrollable sobbing>

40. PEPPER ANN

(as if to a child)
Uh… it's okay, Cissy. I'll show you how it works. You just grab the knob, then turn it like so…

41. CISSY

Like, not that - Trinket! I'm, like, not gonna be able to survive without her?

42. PEPPER ANN

No offense, Cissy, but you can't survive without capri pants.

43. CISSY

But, like, Trinket's different? See, before I met Trinket, she, like, had this pony? And the pony was like her only friend in the whole world? Well, like, one day, the pony went, like, you know…?

44. CISSY (CONT)

And they had to, like, you know…?

45. PEPPER ANN

Yeah, yeah, long story short.

46. CISSY

Well, when I met her, she told me she had this fear that the pony never knew she loved him? But, I like, reassured her that it was gonna be okay? And ever since then, we've, like shared this totally powerful bond?

47. PEPPER ANN

Is it possible? Trinket actually has emotions? Fears? What if… what if she's been trying to reach out to me this whole time and I was never there for her?

48. TRINKET (NEW LINE)

Take me with you!

49. TRINKET (NEW LINE)

I'm scared, Pepper Ann. Help me.

50. TRINKET (NEW LINE)

Pepper Ann, under this shallow exterior lies a scared, lonely little girl who need the guidance of a wise person such as yourself. Please won't you be my friend?

51. PEPPER ANN

So I have misjudged her all these years! Cissy, thank you for sharing your beautiful story with me. Thank you!

52. CISSY

...Or, was that, like, an episode of 'Full House'?

53. NICKY (O.S.)

A goodbye party for Trinket?

54. PEPPER ANN

Don't you see? This party is my last chance to get to know the real Trinket before she's gone.

55. NICKY

But Pepper Ann, you were right before. You and Trinket aren't good friends. You don't need to throw her a party!

56. PEPPER ANN

No, you were right! Trinket's heart is the same color as her gold card.

Pepper ann (cont)
(clueing her in)
It's gold.

57. NICKY

(almost overlapping)
I got it, thank you.

58. PEPPER ANN

Trust me, Nicky, she wants me to throw her this party.

59. TRINKET

Lemme get this straight. You're throwing me a going away party?

60. PEPPER ANN

Uh-huh! We'll totally bond and hang out! Now I've typed up my bio for you to peruse before…

61. TRINKET

Okay, but this party better be good.

62. PEPPER ANN

Did you see that? I think she almost hugged me!

63. NICKY

It's coming, Milo. I can feel it. The mother of all misadventures.

64. MILO

…or is it my supple olive skin?

65. PEPPER ANN

There's my number one amiga! Oh, I love that outfit! It's like a one piece kinda thing, with the short sleeves… What do you call that?

66. TRINKET

A dress?

67. PEPPER ANN

A dress! 'Course it's a dress! Now don't just stand there come on in!

68. KIDS (O.S.)

Trinket! Woo-hoo! Whazzup?

69. PEPPER ANN

So. Trinket. You know what I was thinking about the other day? The time we were on the bus together in third grade and I asked you for a piece of gum and you said "sure" and I said "thanks". That was nice, wasn't it?

70. TRINKET

Hey, look! The other side of the room!

71. PEPPER ANN

Oh, silly! Make yourself comfy! We're getting' to know each other!

72. MILO

Easy, Nicky. Just 'cause some of PA's parties have been a little "off", doesn't mean this one will.

73. NICKY

A little "off"? Remember the one where we all got sick off of her mom's deviled eggs? The one where that crying girl ran into a bee hive? The Cinco De Mayo fiesta with the horrible piñata incident?

(beat)
Milo, are you even listening to me?

74. MILO

(through a smile)
It's the teeth. Definitely the teeth.

75. NICKY

Oh forget it. It's up to me to save this party from disaster.

76. MOM (O.S.)

Who's ready for deviled eggs?

77. NICKY

MS. PEARSON! NOOOO!

78. PEPPER ANN

…and so when I was five, Moose was born and I had to deal with my feelings of jealousy by…

79. TRINKET

Pepper Ann, can I go now?

80. PEPPER ANN

In a minute. This is where it gets good. See, Mom bought me Steve the Cat, but back then we called him 'Steve the Kitten' and…

81. TRINKET

Pepper Ann, I really don't care.

82. PEPPER ANN

Trinket, I know I've hurt you, but together we can tear down this wall between us!

83. TRINKET

Okay, you're a freak!

84. MILO

Hey, it's not like I mean to drive these women away; it… it's just my curse.

85. CRYING GIRL

Oh, that's so sad! I just… I have to get some air!

86. NICKY

LOOK OUT!!

87. PEPPER ANN

<sigh> Nothing is working. Trinket refuses to open up to me. How do guys bond with each other?

88. MILO

With the exception of sporting events and bachelor parties, we basically bottle up our feelings 'til we die.

89. PEPPER ANN

Hey, where's Nicky? She could be helping out, you know!

90. MILO

PA, maybe you're trying to force a friendship with Trinket that was never meant to be. I mean, who ever said you had to be <u>everyone's</u> amiga?

91. PEPPER ANN

Of course! I know exactly how to bond with Trinket!

92. PEPPER ANN (CONT)

Hey Trinket! Whadaya say you and me take turns whacking the goodbye piñata?!

93. NICKY

PEPPER ANN! NOOOO!

94. TESSA/VANESSA

Hey Pepper/Ann, great/party!

95. NICKY

(grumbling)
Um-hm. Great.

96. PEPPER ANN

Nicky, I said I was sorry. It's just… you came out of nowhere.

97. NICKY

It's alright, Pepper Ann.

(sarcastic)
I hear Ms. Stark is casting for 'Pirates of Penzance' so, lucky me!

98. PEPPER ANN

I guess you were right, Milo. Trinket and me were never meant to be good friends.

99. NICKY

You couldn't have figured out that out before the party?

100. PEPPER ANN

Well, actually I did have it figured it out, until you steered me down the wrong path with that whole 'caring-about-Trinket' talk. But I forgive you.

101. NICKY

Ugh!

102. PEPPER ANN

Trinket and I are just two different people. (beat) Still. I hope she's having fun at her new school.

103. TRINKET (O.S.)

Don't you just love croquet?

104. LYCÉE D'ÉCOLE GIRL #1

Especially when you hire someone else to play for you.

105. LYCÉE D'ÉCOLE GIRLS

<murmurs of agreement>

106. LYCÉE D'ÉCOLE GIRL #2

I don't know about you guys but I'm about ready for a Swedish body wrap.

107. LYCÉE D'ÉCOLE GIRLS

<more murmurs of agreement>

108. TRINKET

I'll call ahead for an appointment.

109. RECORDED VOICE

We're sorry, but cellular calls cannot be placed from your present location. You are out of range.

110. TRINKET

<bloodcurdling scream!>

111. MS. BLADDAR

Alright. Poetry time. Who's next?

112. MS. BLADDAR (CONT)

Well, someone has to go. There're three months left in the semester.

113. TRINKET

Hi, everyone, didja miss me?

114. MILO

Yeah, baby! The Kamalani curse is broken!

115. PEPPER ANN

Trinket? What are you doing back?

116. TRINKET

Let's just say I'm not quite up for living off the cellular grid. Besides, I gave it some thought, and I realized how much my presence here would be missed.

117. DIETER

I like presents!

118. TRINKET

That's nice. (then) Outa my seat, rotting apple boy!

119. PEPPER ANN

Sorry I was such a freak at your goodbye party.

120. TRINKET

It's fine. Just don't think because I'm back we're gonna start hanging out.

121. PEPPER ANN

(heartfelt, genuine)
Believe me. I wouldn't dream of it.

122. TOO HIP GIRL

Hey, Pepper Ann. Trinket's welcome back party. Friday night, your place.

123. PEPPER ANN

(flabbergasted)
What? Why me?

124. TOO HIP GIRL

Duh. Because you and Trinket are such good friends. I mean, why else would you have thrown her such an awesome going away party?

125. PEPPER ANN

I can't believe I have to throw Trinket another party.

126. NICKY

(weakly)
Party? (then) <soft weeping>

127. TRINKET

Uh, Pepper Ann, if you wanna throw me another party, just… don't wear that. Nicky, quit your crying, you're a pre-teen. Dieter, you stretched out my desk. Milo, when are you gonna wash that beanie? Tessa? Vanessa? Wide leg pants are out. Cissy?

128. PEPPER ANN

It's good to have her back.
